Hot chocolate mix
Small snaplock bag
2 Marshmallows
2 biscuits

in a box

Mum will love getting this on Mother's Day. It's a single-serve hot chocolate in a box made by you!

What to do...

1. Make your box up
2. Decorate your box using the decorations and glue. Hot glue guns work the best here - Don't burn yourself!
3. In your small snaplock bag mix 2 teaspoons of hot chocolate and 1 teaspoon of sugar to make the hot chocolate mix.
4. Use pink icing to decorate your heart-shaped biscuits—don't put too much icing on or it won't dry very well.
5. Decorate and write on your gift tag and let Mum know you love her!
6. Make Mum breakfast in bed and give her the present!
